

Candidate Experience Audit

Optimize your hiring process and enhance your employer brand

Benefits to Your Business

✓ Improve Candidate Satisfaction

Gain insight into how candidates perceive your selection process and receive actionable strategies to improve their overall experience.

✓ Reduce Candidate Drop-Off Rates

Understand why candidates may leave the process and implement a process to retain top talent from application to offer.

✓ Improve Quality of Hire

Engaged candidates are more likely to align with your company's values and culture.

✓ Enhance Employer Brand

Strengthen your brand reputation by providing a seamless, professional, and engaging candidate journey.

✓ Reduce Time to Hire

When candidates are engaged, they are more responsive. Sharing clear and specific expectations allows for quicker decision-making.

✓ Actionable Insights & Prioritization

Receive a detailed, step-by-step action plan prioritizing areas for improvement based on data and expert feedback.

Our Process

1. Initial Consultation

We meet with your team to map out the entire candidate journey from application to hire. You guide us through each stage of your selection process.

2. Candidate Experience Evaluation

We thoroughly assess the candidate's journey, identifying pain points, inefficiencies, and opportunities for improvement.

3. Action Plan Development

A clear, prioritized action plan is created, providing tailored recommendations to enhance your candidate experience.

4. Action Plan Review

We meet with you to review the action plan, ensuring full understanding and alignment on next steps for implementation.
